Summary of student evaluations based on the questionnaire, free text comments and any other data.

Här framförs det kritik mot valmöjligheten av kurser. detta är svårt att åtgärda då det är få studenter som det gäller och det går inte att utvecklakurser specifkt för dessa.

The programme coordinator's final analysis.

För få studenter för att kunna göra några långtgående analyser.

Suggestions for improvements.

Inga baserat på denna värdering.
