2. create and complete a choreography based on an artistic idea, and
3. give an account of and reason about choreographic choices in relation to choreography work.

Content

The course covers the following:

- practical and theoretical choreography work

- discussion of the concept of choreography and different related roles
- stage performance of choreography
- processing of methods in choreography

Reading List

See separate document.

Examination

Learning outcome 1 is assessed based on an individual written hand-in assignment. Learning outcomes 2 and 3 are assessed based on a video assignment, including a stage performance and an oral presentation related to it.

If students have a decision from Karlstad University entitling them to Targeted Study Support due to a documented disability, the examiner has the right to give such students an adapted examination or to examine them in a different manner.

Grades

One of the grades Fail (U), Pass (G), or Distinction (VG) is awarded in the examination of the course.

Quality Assurance

Follow-up relating to learning conditions and goal-fulfilment takes place both during and upon completion of the course in order to ensure continuous improvement. Course evaluation is partly based on student views and experiences obtained in accordance with current regulations and partly on other data and documentation. Students will be informed of the result of the evaluation and of any measures to be taken.

Course Certificate

A course certificate will be provided upon request.
