The syllabus was approved by the Faculty of Arts and Social Science 2015-03-12, and is valid from the Autumn semester 2015 at Karlstad University.

Prerequisites

General admission requirements

Learning Outcomes

Upon completion of the course, students should be able to:

- formulate and present ideas through drawing,
- use drawing in an explorative way in a visualisation process,
- reflect, discuss and critically review their own work and that of others in terms of process and product, and
- assess and reflect on research-based knowledge in relation to visualisation production.

Content

The course includes theoretical and practical components, which aim to explore the importance of images for thoughts and ideas in design and technology as well as other expressive and artistic areas.

Reading List

See separate document.

Examination

Assessment of learning outcomes is based on a written hand-in assignment, in which students reflect on their own drawings in relation to the theories presented in the course, and on a thematic series of pictures presented and discussed at a mandatory seminar.

Grades

One of the grades Pass (G) or Fail (U) is awarded in the examination of the course.

Quality Assurance

Follow-up relating to learning conditions and goal-fulfilment takes place both during and upon completion of the course in order to ensure continuous improvement. Course evaluation is partly based on student views and experiences obtained in accordance with current regulations and partly on other data and documentation. Students will be informed of the result of the evaluation and of any measures to be taken.

Course Certificate

A course certificate will be provided upon request.
