Learning Outcomes

Upon completion of the course, students should be able to:

- plan, conduct and evaluate varied and flexible preparatory instrument instruction across instrument families in a teacher team,
- plan, conduct and evaluate a varied music project across instrument families for young children in a teacher team,
- apply methods and models for playful learning (pulse, rhythm, movement, song etc.) in mixed instrument instruction for young children,
- identify and apply basic knowledge of group dynamic processes in a mixed instrument teacher team for the target group young children,
- identify and apply basic knowledge of group dynamic processes in mixed instrument groups of young children.

Content and Form of Instruction

- basic methodology for a playful start on the instrument in mixed instrument groups with young children
- basic instrument rhythmic across instrument families for young children
- group dynamics in mixed instrument teacher teams and in groups of young children
- practical application of instructing young children in mixed instrument groups and working on a joint project performance

Reading List

See separate document.

## Examination

Assessment is based on oral group presentations, written individual reports and practical tests individually and in groups.

## Grades

One of the grades Distinction (VG), Pass (G) or Fail (U) is awarded in the examination of the course.

## Quality Assurance

Follow-up relating to learning conditions and goal-fulfilment takes place both during and upon completion of the course in order to ensure continuous improvement. Course assessment is based on student views and experiences as reported in written course evaluations and/or group discussions. Students will be informed of the result of the evaluation and of the measures to be taken.

## Course Certificate

A course certificate will be provided upon request.

## Additional Information

Students who enrolled before 1 July 2007 will complete their studies in accordance with the requirements of the earlier admission. Upon completion students may request degree and course certificates to be issued under the current ordinance if they meet its requirements.

The local regulations for studies at the Bachelor's and Master's levels at Karlstad University stipulate the obligations and rights of students and staff.
