Judgement and approach

Requirements according to the Higher Education Ordinance

Upon completion of the course, students should be able to:

- demonstrate ability to make judgements in the field of company taxation with consideration of relevant societal and economic aspects, and
- demonstrate insight into the potentials and limitations of tax law methods.

Content and Form of Instruction

The course centres on material tax issues in company taxation such as conglomerate taxation and tax issues in company restructuring. The tax legal method and the link between tax law and civil and auditing law are included as are private company taxation, general partnerships and value added tax issues.

Reading List

See separate document.

Examination

Assessment is based on PM assignments which are presented and discussed at mandatory seminars and on a written exam.

Grades

One of the grades Distinction (VG), Pass (G), or Fail (U) is awarded in the examination of the course.

Quality Assurance

Follow-up relating to learning conditions and goal-fulfilment takes place both during and upon completion of the course in order to ensure continuous improvement. Course assessment is based on student views and experiences as reported in written course evaluations and/or group discussions. Students will be informed of the result of the evaluation and of the measures to be taken.

Course Certificate

A course certificate will be provided upon request.

Additional Information

Students who enrolled before 1 July 2007 will complete their studies in accordance with the requirements of the earlier admission. Upon completion students may request degree and course certificates to be issued under the current ordinance if they meet its requirements.

The local regulations for studies at the Bachelor's and Master's levels at Karlstad University stipulate the obligations and rights of students and staff.
