Prerequisites

Swedish 1-30 ECTS cr or equivalent

Learning Outcomes

Upon completion of the course, students should be able to:

1. describe the Swedish system of inflection at different points in history and explain the historical residues in current language inflections,
2. describe syntactic features that have changed in Swedish and identify relevant examples in text from different periods,
3. describe changes in word meaning on the basis of history-oriented dictionaries and explain the content of historical texts with the help of dictionaries and other manuals,
4. apply knowledge of Norwegian and/or Danish texts in summaries and translation of Norwegian and/or Danish texts with and without aids, and
5. give an account of how the Nordic languages are understood in the Nordic countries today and in a historical perspective, and describe different strategies for communicating with different language speakers.

Content

Students enhance their knowledge of language history with an emphasis on vocabulary and grammar. Norwegian and/or Danish are treated together with inter-Nordic language literacy issues.
