Changes suggested in the course analysis of the previous course date:

4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating

- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

The majority of the students felt that the course set-up was intensive & the workload was heavy. The X-mas holidays came in the middle of the course.

Suggestions for changes to the next course date.

My recommendation is that the course should be given during the 3rd period in the Fall Term, i.e., between the weeks of 44-49, if possible. The international students leave home for the X-mas holidays and do not come back, which is why the course is felt as rushed and intensive.
