- A) To a very large extent
- B) To a large extent
- C) To some extent
- D) To a little extent or not at all

should also be analysed here. Any effect of joint courses should be commented on.

It is not possible to draw any conclusions from only three responses. Based on the oral evaluation, a change in the course structure was appreciated by the students and they felt that there was a clear progression in the module examinations.

Suggestions for changes to the next course date.

Possibly slight adjustment of the group examination in order to make sure that students really can demonstrate their achievement of the learning outcomes

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
