The student is right. This course was given for first time after many years and by a new teacher. We will make everything possible to improve it in different aspects.

Suggestions for changes to the next course date.

Some changes in the curricula were made. Hopefully more teaching hours and a different kind of examination will be given. The evaluation is just based on one of five students who were registered to the course.

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
