"Jag tycker kursen har fungerat bra och det har varit tydligt från början med datum för presentationen. Dock så hade det kunnat vara lite tydligare med hur kursen såg ut i början innan vi fått våra handledare. Det kändes lite oklart hur jag skulle börja innan jag fick reda på handledaren, så det skulle kunna vara något som kan förtydligas. Annars har bemötandet och den hjälp jag fått varit bra och jag känner att jag fått möjligheten att uppnå kraven i kursen."

Suggestions for changes to the next course date.

We will work on routines such that the students will get their supervisors and the theme of the thesis before they start the course. This was the only negative point found.
