Changes suggested in the course analysis of the previous course date:

1. During the course I developed the knowledge, skills and other competencies described in the learning outcomes.

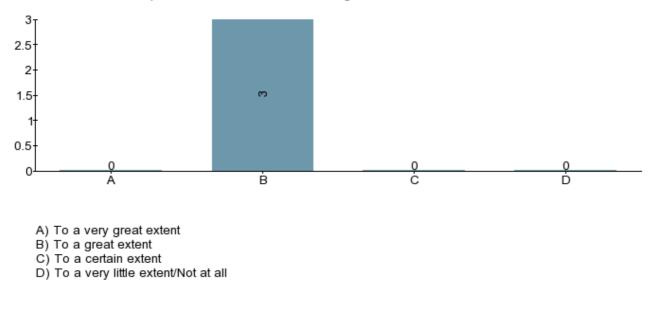

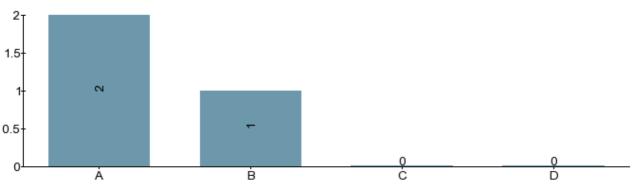

B) To a great extent

D) To a very little extent/Not at all

C) To a certain extent

2. In the examinations, I had the opportunity to demonstrate if I have acquired the knowledge, skills and other competencies described in the learning outcomes.

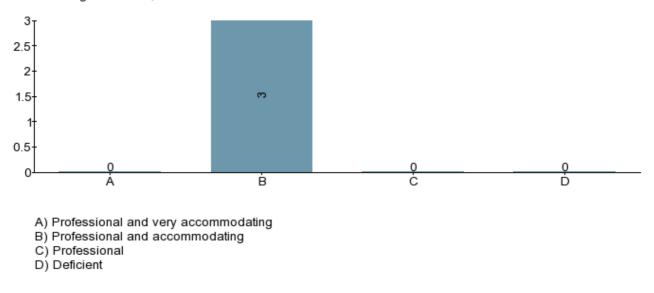

3. On average, I spent the following number of hours on coursework per week:

A) More than 40 hours (or more than 20 hrs at 50% study pace, more than 10 hrs at 25% study pace)
B) Between 30-39 hours (or between 15-19 at 50% study pace, between 8-10 at 25% study pace)
C) Between 20-29 hours (or between 10-14 at 50% study pace, between 5-7 at 25% study pace)
D) Less than 20 hours (or less than 10 at 50% study pace, less than 5 at 25% study pace)

4. During the course, I have found that teachers and other staff have been:

should also be analysed here. Any effect of joint courses should be commented on.

The only comment from a student read: "The course is informative, there is a lot to learn and it takes a long time if one is not much of a reader. It therefore became a lot to take in for a first course. Otherwise the structure and discussions are really meant to help if everyone willingly participates."

Suggestions for changes to the next course date.

No particular need for changes.

1. Number of first registrations for a course: First registration = the first time a student registers for a specific course.
