Semester:	VT-23	
Start Week:	202307	
End Week:	202322	
Pace of Study:	67%	
Form of Study:	Campus	

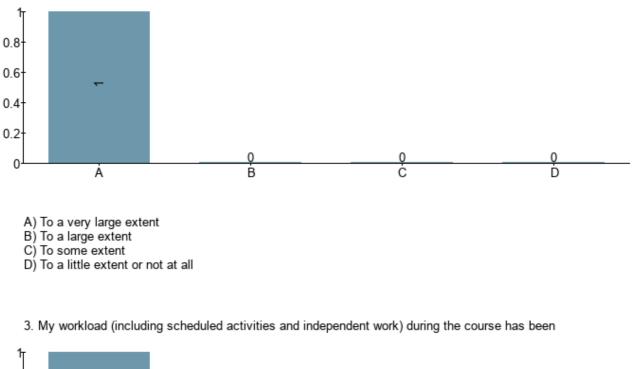

## Changes suggested in the course analysis of the previous course date:

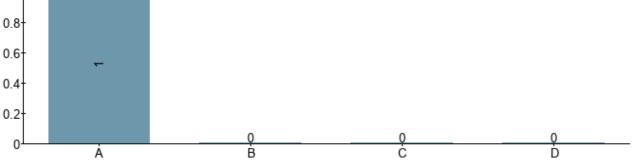

No changes suggested.

1. The contents and structure of the course has supported the achievement of the learning outcomes

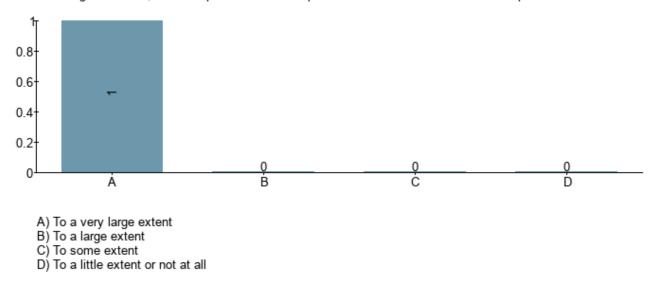

The assessments included in the course have given me the opportunity to demonstrate my achievement of the learning outcomes

A) 40 hours per week or more (or 20 per week or more for courses given as half-time studies, 10 hours or more for course B) Between 30 and 39 hours per week (or between 15 and 19 hours for courses given as half-time studies, or between 8 C) Between 20 and 29 hours per week (or between 10 and 14 hours for courses given as half-time studies, or between 5 D) Less than 20 hours per week (or less than 10 hours per week for courses given as half-time studies, or less than 5 h

4. During the course, I have experienced the reception from teachers and other staff as professional

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

## on.

One of two students has answered the survey. This student was satisfied with everything and did not suggest any changes. As responsible for the course I think the course has worked well and there is no need for changes.

## Suggestions for changes to the next course date.

No changes suggested.

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
