**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

The feedback is very positive. In line with the changes suggested after a previous offering, the group work was abolished and the workload was reassessed, leading to a reduction in the number of course readings. Given the new evaluation, the workload does not appear as too high any more.

**Suggestions for changes to the next course date.**

No changes are suggested for the next course offering.
