Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Nothing out of the ordinary but a well received and worthy conclusion to the series of ENG A1E courses based on the time-honoured and now superseded syllabus.

Suggestions for changes to the next course date.

The new ENG A1E syllabus will be implemented and exciting times lie ahead, especially since the course will be co-taught 50/50 throughout for the first time since the early 00's.
