**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

From those who completed the questionnaire and from other channels of communication, the students seemed quite satisfied with the course, and did not offer any suggestions for improvement.

**Suggestions for changes to the next course date.**

The workload for some students seemed to be fairly low. The speech assignments should be revised to ensure that substantial work is needed from everyone to complete them successfully and thereby facilitate learning by doing.
