Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Solid praise but from two voices only. Fortunately, they concur with the spontaneous feedback I have received via Canvas and Zoom both during and after the course, and I'll stick to the current structure, content and approach until further notice.

Suggestions for changes to the next course date.

Early coursework submissions should be dealt with sooner to avoid bottlenecks and pileups in the second half of the course.
