**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented on.**

No students answered the online course evaluation (0/4).

Based on the discussion during the session, the course was well-received by the students. The low number of students made group work a bit more complex, but otherwise, the course ran smoothly.

## **Suggestions for changes to the next course date.**

No changes are suggested for the next iteration of the course.
