**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

Two students answered the course evaluation. Additional feedback was informally obtained after the oral exam. In general, those were very positive. In the course evaluation, it seems that there were problems in the course enrollment and Canvas messaging that need to be checked.

**Suggestions for changes to the next course date.**
