- A) To a very large extent
- B) To a large extent
- C) To some extent
- D) To a little extent or not at all

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Comments are generally positive, the course graded high. To run the course in a form of two independent projects, both pointing-giving and influencing the final grade was positively reflected by students.

Suggestions for changes to the next course date.

The course will be run in the suggested way. Minor corrections will be done in lecture structure and organization of presentations.
