Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

It is not possible to draw conclusions out of the answers of only one student.

Suggestions for changes to the next course date.

The course needs to be thematically a bit less ornamented. The three keywords, planning, mobilities, geomeia, it is just one too many considering the length of the course and that it is placed over the Christmas holidays. So a change in the syllabus of the course is desired if I will continue to be responsible for the course.
