Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Three students of fourteen answered the evaluation, their responses differ concerning, contents and structure, the assessment, the workload and reception from the teachers. The comments include two suggestions, firstly that the group members should be appointed earlier and secondly that we should keep the globalization course as a parallel course.

Suggestions for changes to the next course date.

Appoint group members earlier during the course.
