4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

**should also be analysed here. Any effect of joint courses should be commented on.**

The course seems to have work well although the low number of student participating in the evaluation makes it difficult to draw any conclusions. Only one comment was made: "Really a great course and great support by the course leaders for distance students."

**Suggestions for changes to the next course date.**

Only minor improvements/continous enhancement.
