should also be analysed here. Any effect of joint courses should be commented on.

Comments are generally positive, the course graded high. because of some changes in teaching staff structure of the course was adjusted, but students assessed lectures and specially project highly.

Suggestions for changes to the next course date.

With respect to more changes in teaching staff, the course will be modified. According to students comments an emphasis on the project activities will be paid in the future. A way to examine knowledge and quality of learning will be discussed among teachers.
