Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Comment from one student: "All of the material and assessments have been clearly listed each week. Potential bonus in the future: Maybe add previous exams on canvas? They are perfect to practice on and helped me so so much when studying!" -- In fact, all students have access to all previous exams. Perhaps we should emphasise this for students who have not studied at KAU before.
Teacher notes that there have been many questions on Assignment 2.

Suggestions for changes to the next course date.

Put a note in Canvas that previous exams are accessible at kau.se for students.
Redraft Assignment 2.
