Course convener: Pawel Odyniec

Basic LADOK data

Course Code: REGFA2
Application Code: 38116
Semester: HT-21
Start Week: 202135
End Week: 202202
Pace of Study: 50%
Form of Study: Distans

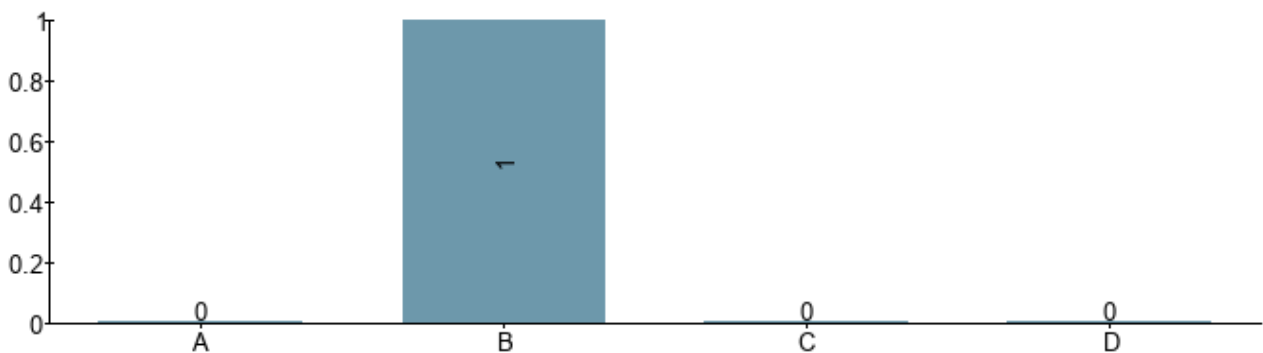

Course Data

Number of questionnaires answered: 1
Number of first registrations^[1]: 2

Changes suggested in the course analysis of the previous course date:

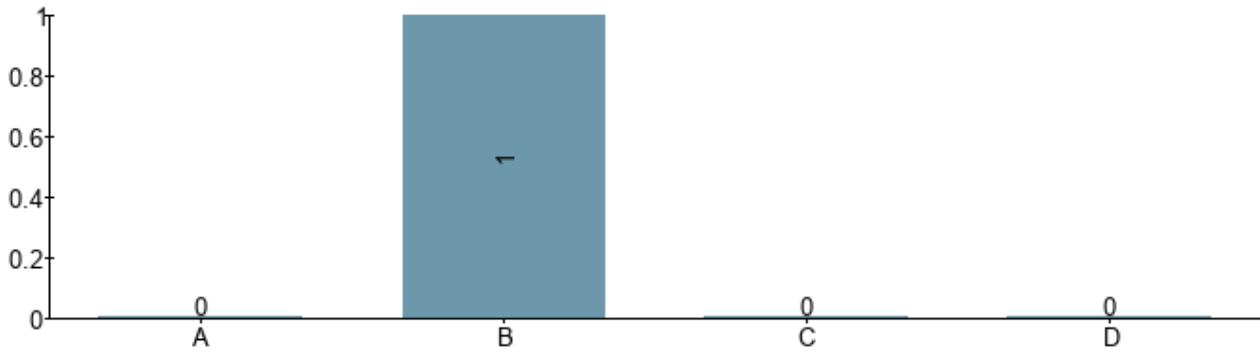

--

1. The contents and structure of the course has supported the achievement of the learning outcomes

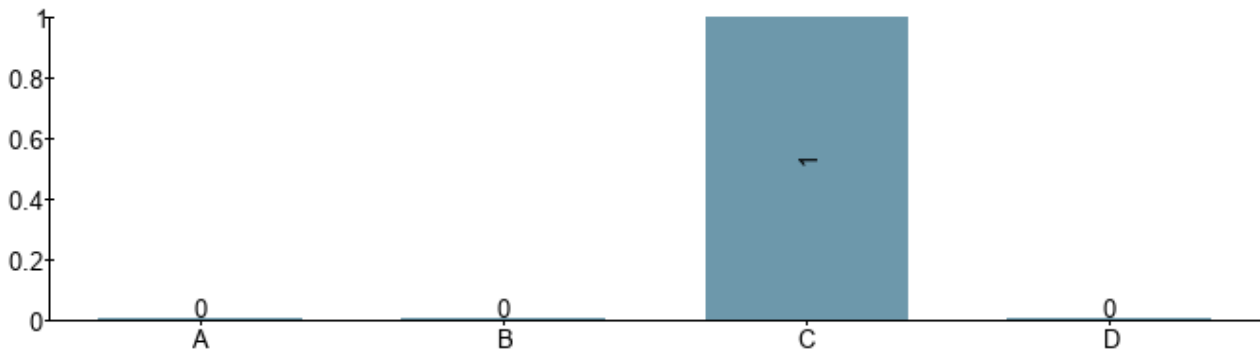

- A) To a very large extent
- B) To a large extent
- C) To some extent
- D) To a little extent or not at all

2. The assessments included in the course have given me the opportunity to demonstrate my achievement of the learning outcomes

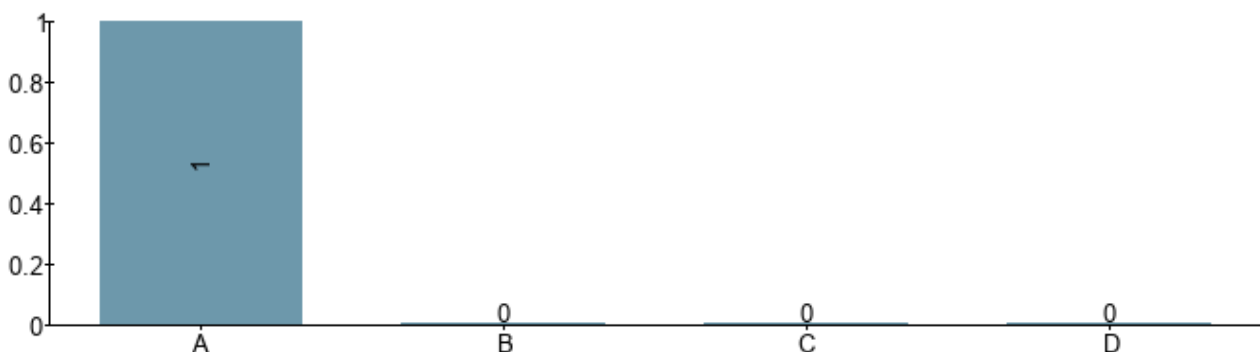

- A) To a very large extent
- B) To a large extent
- C) To some extent
- D) To a little extent or not at all

3. My workload (including scheduled activities and independent work) during the course has been

- A) 40 hours per week or more (or 20 per week or more for courses given as half-time studies, 10 hours or more for cour
- B) Between 30 and 39 hours per week (or between 15 and 19 hours for courses given as half-time studies, or between 8
- C) Between 20 and 29 hours per week (or between 10 and 14 hours for courses given as half-time studies, or between 5
- D) Less than 20 hours per week (or less than 10 hours per week for courses given as half-time studies, or less than 5 h

4. During the course, I have experienced the reception from teachers and other staff as professional

- A) To a very large extent
- B) To a large extent
- C) To some extent
- D) To a little extent or not at all

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Few students were enrolled in the course during the Fall Semester 2021. This is probably due to profile of the course, which targets students planning to do fieldwork abroad, since fieldwork abroad has not been possible during the pandemics.

One student handed in the course analysis.

Student thought that the contents and structure of the course has supported the achievement of the learning outcomes to a large extent.

Student answered that the assessments included in the course have given her the opportunity to demonstrate her achievements of the learning outcomes to a large extent.

Student's workload during the course has been between 10 and 14 hours.

Student answered that during the course, she has experienced the reception from the teacher and other staff as professional to a very large extent.

No additional comments were submitted.

Suggestions for changes to the next course date.

There were suggestions for changes to be implemented before the next course date.

-
1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
