**should also be analysed here. Any effect of joint courses should be commented on.**

We got various good comments on the strength of this course and suggestions on how to improve the seminars and the assignments.

We will work on the strength of this course in preparing the students on how to conduct a good master thesis based on the ongoing research. We will also make some changes in the group assignment.

**Suggestions for changes to the next course date.**

We got various good comments on the strength of this course and suggestions on how to improve the seminars and the assignments.

We will work on the strength of this course in preparing the students on how to conduct a good master thesis based on the ongoing research. We will also make some changes in the group assignment.

We will also coordinate the different areas of study with contemporary research both in business administration and engineering; as we have done it in the last couple of years.
