Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

Only two students answered, and thus, too few students responded on the evaluation to be able to have a representable picture on students' opinions.

In regards to the articles on management in the course - these reflect the requirements of the level of texts students need to learn to understand on the third year.

Suggestions for changes to the next course date.
