**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

The students seem to have been largely satisfied with the course (bearing in mind that less than half of students handed in an evaluation), except for the group assignment where the students wish for more support.

**Suggestions for changes to the next course date.**

Add hours/move around hours to provide 1-2 more lectures/supervision session for the group assignment.
