When collaborative courses, several course codes are shown below:

ENAEL2 Självständigt arbete inom engelskspråkig litteratur (Master), End date: 2025-06-08

Comments

Course supervisor's comments

The two students who filled in the course evaluation are obviously happy with the course and devoted their time to work on their MA theses. There are no full-text comments to substantiate the suggestions for improvement (course information and general organisation as well as the topic selection process), but I will keep them in mind and try to be clearer at the beginning of the course.
