Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

The low response rate does not allow for a true and fair view.

Students who answered the questions seemed to find the course more challenging compared to previous years. This might be due to the fact that the course was given online due to the Covid-19 pandemic.

Suggestions for changes to the next course date.

The course is continuously developed.

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
