4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

Unfortunately, the only student on the course did not submit their responses to this survey.

Suggestions for changes to the next course date.

Although the number of students is extremely low, the course has been well received and interesting. It is somewhat fragmented and needs better cohesion between the segments however, which will be considered for next year.
