- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

Student comments VT2016:

1. A very good and valuable course!
2. Keep the term assignment which is a good way to learn the subject and the course.

Instructor comments VT2016:

The course has continued to improve. We added guest lecturers and improved the term assignment as suggested in 2015.

Suggestions for changes to the next course date.

The course will run again in Fall 2016, at which time a field excursion may be added.
