**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

Inga studenter har besvarat enkäten. Det beror nog till viss del på "skärmtrötthet" i spåren efter coronapandemin, men också för att programansvarig för hela KKM-programmet regelbundet får återkoppling från studenterna genom möten och programråd. Studenterna ges möjlighet på flera sätt att komma med synpunkter om utbildningen, och tycker nog att det räcker med dessa.

**Suggestions for changes to the next course date.**

Kursansvarig påminner studenterna om att besvara enkäten (men jag får själv ingen information när den skickas ut?).

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
