- D) Less than 20 hours (or less than 10 at 50% study pace, less than 5 at 25% study pace)

4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

An additional course evaluation was performed on paper during the last meeting with the students. That evaluation has questions specifically tailored to this course to collect feedback on the different course parts, workloads, examination approaches and tools used in the course. Comments received here included a minor scheduling suggestion, and appreciation of the initial Datacomm repetition lecture.

Suggestions for changes to the next course date.

Possibly some minor tweaks to lab exercises / templates.

- 1. Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
