- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

We are very happy that students think that the lectures are of top notch quality and that they have been rewarding. We will identify opportunities to introduce labs in further course instantiations.

Suggestions for changes to the next course date.

Update of the literature list should be done. Some labs could be introduced if additional teaching resources become available.

- 1. Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
