Changes suggested in the course analysis of the previous course date:
--

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented on.

This was the first time the course was offered in its current form. There are no respondents to this questionnaire. Students have indicated elsewhere that they think the workload is heavy and the two teachers involved have different teaching styles.

Suggestions for changes to the next course date.

No suggestions.
