Suggestions for changes to the next course date.

Two things to consider for next year:

- Replace the Scannell book. This has already been planned, but no good enough replacement book has yet been found.
- Consider to arrange literature discussions also in smaller groups. This is a good idea when the group is larger than 8-10 students (as it was this year).

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
