Information about the course evaluation

Date 2014-12-27	Number of answers 1	Method <input checked="" type="checkbox"/> Computer <input type="checkbox"/> Paper <input type="checkbox"/> Oral	Summary made by Odd Fredriksson
<p>Strengths of the course according to the students</p> <p>Q1: What are your main impressions from this course? "- A good course with just right amount of workload. Interesting articles with a following reflective assignment was a good way to acquire knowledge."</p> <p>Q2: What individual knowledge acquired/lessons learned have you gained from participating in this course? "- From many different sides in the IT-business, ES implementation success factors, relational perspective on e-Business and technochange management."</p> <p>Q3: What has been the best with participating in this course? "- The ability to plan the work by yourself due to the lack of "lectures" to attend. Interesting articles."</p> <p>Q8: Do you want to recommend this course to others? Why? Why not? "Yes, it's a good introduction to the different topics and shows the broad perspective of IT."</p> <p>The Student Union's two compulsory questions: 1. Perceived overall quality of the course on a scale between 1 (very low) and 5 (very high): 4. 2. Perceived work load on a scale between 1 (very low) and 5 (very high): 3.</p>			
Weaknesses of the course according to the students ""			
Analysis of the evaluation results High satisfaction with the course.			

Measures planned Continue with the course design.
Measures taken
How was feedback given to the students? Via the course page.
Further information 2 out of the list of 10 examination articles from the previous course were replaced. The course is part of the Master Programme in Information Systems (SAINF). The course is open for Business Administration and Information Systems students (60 ECTS cr. or equivalent).
