- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

The course has achieved the goals of developing knowledge, skills and competence in the basics of computer security.

Suggestions for changes to the next course date.

The course plan will be updated and a new literature book will be introduced. The computer security 1 and 2 labs need to be re-thought, maybe re-designed to be adapted to the new structure of the course.
