Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

The major difficulty experienced this year comes from trouble to have visas to Sweden before the course started. Students were coming in late.

Students comments to this survey: "Content and the structure of the course help me to achieve the desired learning outcomes in a very convenient way.", "Assessments carried out during the course increase my exposure in a broader sense."

Suggestions for changes to the next course date.
