4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

Very few respondents. The students are pleased with the course but want more lectures.

Suggestions for changes to the next course date.

Change the timing for the social media projects so that they get the knowledge from this course first. The students want more lectures but that is hard to manage within the existing time frame of the course.
