Changes suggested in the course analysis of the previous course date:

1) Collect all pertinent information about the course in a single document for students and supervisors.

[This has not yet been completed.]

2) Produce a web page with a collection of previous theses.

[This now exists: http://www.ingvet.kau.se/juerfuch/kurs/exac/exac_listxj.html]

1. During the course I developed the knowledge, skills and other competencies described in the learning outcomes.

4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented on.

Being a degree project, the detailed way in which the course is performed is strongly adapted to the individual projects. This worked out very well and was appreciated by the students.

Suggestions for changes to the next course date.

None.

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
