Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

There is only one review. Although positive, it is insufficient to draw any concrete conclusion, and based on that, modify any aspect of the course.

Suggestions for changes to the next course date.

I am however determined to continuously improve the quality of the course based on my direct communications with students.
