- D) Less than 20 hours (or less than 10 at 50% study pace, less than 5 at 25% study pace)

4. During the course, I have found that teachers and other staff have been:

- A) Professional and very accommodating
- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

This is an entry-level course and therefore attracts some students without prior knowledge about the usability discourse or web technology, why it is not surprising to find a very scattered picture as concerns how many hours individual respondents to this questionnaire have spent on the course.

Suggestions for changes to the next course date.

No suggestions for changes.

1. **Number of first registrations for a course:** First registration = the first time a student registers for a specific course.
