When collaborative courses, several course codes are shown below:

ENAEL2 Självständigt arbete inom engelskspråkig litteratur (Master), End date: 2026-06-07

Comments

Course supervisor's comments

First of all, the number of first-time registered students is wrong in the report - it should be 4 and not 7 (there were 3 re-registered students). Two of the four first-time registered students are done and have gotten their final grade. One student filled in the evaluation. This student appears to have wished for better communication with and feedback from the supervisor.
