Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

The course structure and content were graded high, higher than the previous year. Students specified that they learned and feel more comfortable with the preparation to the future MSc project, which was one of the course aims.

Suggestions for changes to the next course date.

The course will run the same way as in 2021. Instructions and guidance will be revised to make sure that all students get the task and understand teachers' expectations. The same or similar invited lectures, if possible, will be organized next year as well.
