Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented

on.

This is a reading course with not so many students. I will try to check before the start next year which are the wishes and prerequisites of the students. The book is very self contained except the presentation of the Lebesgue spaces.

Suggestions for changes to the next course date.

I will schedule some lectures an. I will give to the students some extra projects.
