**Analysis based on course evaluation, including comments fields. If information has been collected in other ways, it should also be analysed here. Any effect of joint courses should be commented**

**on.**

Some delays in assessing (and re-assessing) the web analytic assignment which should be completed before Essay 2 is presented, caused some delays for several students.

**Suggestions for changes to the next course date.**

Till spring 2023 we will have a teacher for web analytics assessment who is not simultaneously busy with several other courses. She will be with us permanently so this will remove the November-December bottlenecks too.
