Ingen student har besvarat enkäten, det går därför inte att göra en analys. Däremot har vi en tät kontakt med våra studenter naturligt i utbildningen, och vet att de kommunicerar synpunkter om programmet till både lärare, kursledare och programledare.

Coronapandemin har gjort att studenterna har mer lektioner över dator, och en slags "datortrötthet" tillsammans med en känsla av att utbildningen inte är som vanligt gör att de inte ser vikten av att besvara enkäten.

Vi vet att de i huvudsak tycker det fungerat bra med huvudinstrumentlektioner omväxlingsvis på distans och IRL på Campus.

Suggestions for changes to the next course date.

Jag som kursledare skulle önska att få information om att enkäten öppnas för studenterna, så jag kan påminna dem om att besvara den. Den första informationen som kommer till mig, är först när enkäten stängs.
