- B) Professional and accommodating
- C) Professional
- D) Deficient

should also be analysed here. Any effect of joint courses should be commented on.

10 of 28 answered, which is below 50% of students. Course was evaluated quite good, with a knowledge development to a great extent. Some critics was related to individual teaching style of selected teachers.

Suggestions for changes to the next course date.

Some discussion between teachers about teaching and course materials will be done. Possibility to have points for the project and ability to use them in the main exam also will be discussed with teachers responsible for the project part of the course.
